Following is further information on the subject  
you mentioned this morning:

[redacted] phoned today asking for 3 copies each of  
the June 25 and 29 White Book. Says Director most  
unhappy with Lippman's column in today's Post in  
which Lippman says Gromyko's statement (broadcast  
28 June and published in our 29 June Report - BBB1)  
was available some days later through a Soviet  
Embassy handout. Note: Lippman is on our mailing  
list.
